

Abstract Submission Instructions

Abstract must be submitted before **February 25th, 2018**.

Please follow the instructions carefully. A presentation which is understandable and follows the instructions is much more likely to be accepted for presentation at the meeting.

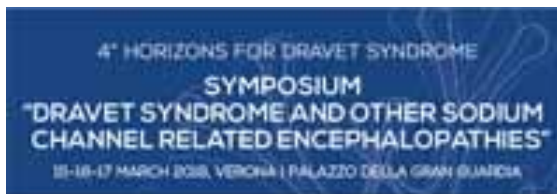

It is mandatory to use the template that can be downloaded in this section. Only this template is accepted!

General Instructions:

- Font, size, and color for text have been formatted for you in the template.
- The text should not exceed **200 words**. Please note that if you exceed the limit of 200 words the text will be cut and will not be complete.
- The abstract should be submitted only in English.
- An author may submit only one abstract as first author.
- It is possible to appear as co-author on other abstracts.
- The accepted abstract must be presented at the congress by the first author.
- All authors are expected to provide general disclosure information of relationship with for-profit health care companies.
- The abstract submission is open until **February 25th, 2018**.

The results of the abstracts selection will be announced by March 2nd, 2018.
